Ideation Phase
Define the Problem Statements

Team ID	PNT2022TMID38874
Project Name	Project - IoT Based Safety Gadget for Child Safety Monitoring and Notification
Maximum Marks	2 Marks

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Problem Statement:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Parent	Take care of my child	can't look after him/her after he/she leaves anywhere	there is no way of tracking him/her	worried
PS-2	Child	give information about where am i to my parents frequently	not able to give	i tend to forget	worried
